WHEREAS members are committed to meeting the needs of our community and invested in building a resilient and forward-looking City;

THEREFORE BE IT RESOLVED that the CIPP Board of Directors initiate a process to develop a new Member Network with the aim of connecting CIPP members directly with each other in order to share information from the union, to collect information about challenges at work, to build relationships that strengthen the union, and to support the union's efforts to make our strength visible at all times, and especially during bargaining; and that the Board of Directors report back to the membership at the 2024 AGM.
